New Guide for Railroad Enthusiasts

America's passenger and freight railroad traffic is on the upswing, as is interest in our vast railroad heritage. More people than ever are visiting rail museums, going on scenic train rides, watching freight trains and building model train layouts.

Whether you're a diehard rail fan or just looking for extra vacation fun, Bella Terra Publishing's new [RAIL U.S.A. Museums & Trips – Eastern States: Illustrated Map & Guide](#) is just the ticket. It locates and describes 334 rail attractions along the Atlantic coast from Maine to Florida, plus Vermont, Pennsylvania and West Virginia.

The most comprehensive, up-to-date listing anywhere!

RAIL U.S.A. includes rail museums and exhibits, historic depots, scenic railroads, miniature trains, dinner trains, trolleys, model railroads, train-watching locations and much more. Locations are shown on detailed maps—including 5 insets—for easy travel planning. An informative directory offers descriptions of each venue, plus street addresses, phone numbers and websites. Also, there are 16 eye-catching, original watercolor illustrations.

RAIL U.S.A. author Eric Riback is available for a telephone interview. He will discuss the richly varied rail points of interest in the Eastern U.S., some near your own backyard. **You may be familiar with ...**

ABOUT THE AUTHOR:

Eric Riback, the president of Bella Terra Publishing, is now researching the RAIL U.S.A. Central and Western editions, to be published in Spring 2014. A former sales and marketing executive at National Geographic, MapQuest and DeLorme, Riback also served as president of the International Map Industry Association and NorthEast Map Organization. Beyond regular rides on the New York City subways, the Bronx native's first rail memories are of taking the New Haven Railroad from Grand Central Terminal to visit his grandparents, and a steam engine trip on the Strasburg Rail Road.

ABOUT BELLA TERRA PUBLISHING:

Bella Terra Publishing LLC produces special-interest travelers' maps that offer as much information as guidebooks, most featuring original watercolor illustrations. Bella Terra's product line includes state and regional U.S. lighthouse maps; and, in cooperation with National Geographic Maps, the *National Geographic Battlefields of the Civil War Map*. Central and

Western States editions of *RAIL U.S.A. Museums & Trips* will be released in Spring 2014. For more information on Bella Terra Publishing and upcoming RAIL U.S.A. media and events, please visit www.bellaterramaps.com.
